**§ 641.870 Under what circumstances may the administrative cost limitation be increased?**

(a) SCSEP recipients may request that the Department increase the amount available for administrative costs. The Department may honor the request if:

(1) The Department determines that it is necessary to carry out the project; and

(2) The recipient demonstrates that:

(i) Major administrative cost increases are being incurred in necessary program components, including liability insurance, payments for workers'

compensation, costs associated with achieving unsubsidized placement goals, and other operation requirements imposed by the Department;

(ii) The number of employment positions in the project or the number of minority eligible individuals participating in the project will decline if the amount available for paying the cost of administration is not increased; or

(iii) The size of the project is so small that the amount of administrative expenses incurred to carry out the project necessarily exceeds 13.5 percent of the amount for such project. (OAA sec. 502(c)(3)).

(b) A request by a recipient or prospective recipient for an increase in the amount available for administrative costs may be submitted as part of the grant application or as a separate submission at any time after the grant award.

(b) An SCSEP recipient is in compliance with this provision if at least 75 percent of the total expenditures of SCSEP funds provided to the recipient were for wages and benefits, even if one or more subrecipients did not expend at least 75 percent of their SCSEP funds for wages and fringe benefits for community service projects.

(c) Recipients receiving both general SCSEP funds and section 502(e) funds must meet the 75 percent requirement based on the total of both grants.

**§ 641.876 When will compliance with cost limitations and minimum expenditure levels be determined?**

The Department will determine compliance by examining expenditures of SCSEP funds. The cost limitations and minimum expenditure level requirements must be met at the time all such funds have been expended or the period of availability of such funds has expired, whichever comes first.
